

Caribbean Innovation Competition 2019

Caribbean Innovation Competition Guidelines for Website or the Online Presence

- Participating Teams must have an online presence of some sort with the objective being to showcase their product or service.
- Teams may effectuate their web presence by simply setting up a Facebook group page or a blog (i.e. blogspot or wordpress).
- It is not mandatory for teams to have their own domain. YABT is not responsible for the images used by participating teams.
