

## **Eco Challenge 9.0 Guidelines for the Online Presence**

(Special Category for Talent and Innovation Competition of the Americas)

### **Online Presence**

- The teams can build their website or online presence using any software (DIY, Blogs, Facebook, Instagram, etc.) available online.
- It is not required that teams have their own domain.
- It is obligatory to have the property of all the audiovisual materials used. YABT is not responsible for the images used by the participating teams.
